

My trip to London!

Morning ¹ This is London Zoo. It's really big. It's close to my hotel. There are lots of animals in the zoo. This is the giraffe house. Giraffes are my favorite animal.

Lunch ² This is the Rain Forest Café. It's my favorite restaurant in London. What can you see behind the tables? They're elephants!

Afternoon ³ This is the Science Museum. And this is my favorite room – the transportation area. There are lots of cars and a truck. And look above the people. There's a plane!

Evening ⁴ This is Trafalgar Square. There's a big art gallery here. There are statues and a fountain, too.
